

## Parent and Guardians Code of Conduct

- **I will not force my child to participate in baseball.** Baseball should be fun!
  - **I commit to making sure my child arrives to games and practices on time, whenever possible.** This means often arriving early so that my child has enough time to get situated prior to joining our practice or pre-game preparations.
  - **I will show respect for the umpires.** They may make the wrong call, but the job of the umpire is not an easy one. Voicing my displeasure will not improve the situation.
  - **I will be a role model for my child regarding good sportsmanship, teamwork and self worth.** These things start with the adults, and the players will behave accordingly.
  - **I am responsible for the behavior of all family members at games and practices.** Others may attend games to cheer on my child, and I need to be sure that they also handle themselves according to these rules.
  - **I will provide encouragement and support for my child.** My child needs to hear my positive encouragement throughout the game.
  - **I will respect the challenges the coaches face and time commitment they make.** It's a significant contribution of time and energy, often with the side effect of stress.
  - **I will stay away from the dugout during games and allow coaches to coach.** While this is not easy, I know that providing potentially conflicting messages during a game can be confusing to my child and my presence at the dugout may contribute negatively to their ability to focus.
  - **I understand that being a part of the team includes regular team duties.** These duties are different from the league volunteer duties.
  - **I will not consume tobacco/vape and alcohol products on any North Langley Baseball Park.**
