RE: Township of Langley Safety Guidelines for User Groups

Our organization has read and agrees to strictly follow the Township of Langley Safety Guidelines for Facility User Groups.

Our organization also acknowledges that it is our sole responsibility to prepare and maintain any of the required supporting documents (e.g. Appendix A and F) and ensure ongoing compliance with these guidelines. We will clearly communicate these guidelines and expectations to our members.

We deem the submitted documents complete and accurate and confirm that they conform to the guidance provided by our governing body.

I am a representative of [organization] and have the authority to make the above commitments on behalf of my organization.

Yours truly,

Ray Clark
